

Welcome St. Teresa!!

To kick things off, please visit pitapitelmira.schoolfuel.ca or use the QR code above. This will take you to our ordering website where you will have the option to choose from 5 different pita choices and 3 smoothie flavours!

Once you have chosen your desired pita, you will have the option to choose "One-time purchase" or "Recurring". If you choose one-time, you will need to reorder EACH time your child wishes a pita/smoothie. For the recurring option, you will have the ability to pause or cancel at any point. This option will charge your method of payment EACH week.
